

Legal Statements (Terms and Conditions)

Although our services are designed to provide accurate and authoritative information on the subject matter covered, VetConsensus (including its members, employees, collaborators, consultants, sponsors, and partners) makes no representations and gives no warranties, express or implied, regarding the accuracy, completeness, or currentness of the information or any associated recommendations.

- We do not provide clinical advice regarding specific patients under active treatment.
- We do not endorse any specific medicine, product, protocol, or technique by including it within our publications or recommendations.

The information provided through our websites and publications is not a substitute for the exercise of professional clinical judgment, for which the attending veterinary professional remains solely responsible.

Copyright & Intellectual Property

This database and its network of related websites are protected under UK and international copyright law. All rights are reserved.

Specific content, such as articles, photographs, and illustrations, remains the property of the original authors or licensors. All such content is protected by applicable intellectual property laws, conventions, and treaties.

Unauthorised copying, distribution, transmission, or republication of any content is strictly prohibited.

You may download or print a single copy of materials from our websites for personal, non-commercial use only.

All other rights are reserved. Commercial uses—including but not limited to publication, redistribution, retransmission, broadcasting, uploading to forums or websites, posting to mailing lists or bulletin boards, circulation, resale, or reproduction in any form—are strictly prohibited without prior written permission from the copyright owner.

The Veterinary Publishing Company Ltd reserves the right to take legal action in the event of copyright infringement or other unauthorised use.
